

GIVE TODAY TO SUPPORT THIS CRITICAL NEED

Through a lead donation from Dean and Gloria Dow, REMSA was able to purchase this Chevy P6 Grumman command-style vehicle. REMSA is seeking \$50,000 in additional contributions to ensure that this vehicle can provide state-of-the-art operational care and service in a range of response scenarios.

If you would like to contribute, please contact Barry Duplantis, Chief Financial Officer for REMSA at bduplantis@remsa-cf.com or by calling **775-353-0790**. You may also donate online at remsahealth.com/donations. *Contributions are deductible for tax purposes in the manner and extent provided by law.*

Donate online at

remsahealth.com/donations

As a private, non-profit, community-based healthcare organization, REMSA reinvests all funds received into the services, expert team members, and equipment needed to care for the communities it serves.

 **REMSA**®

Always Ready

THE MOBILE OPERATIONS CENTER

Meeting the needs of the
community — *any time, any place.*

WHEN THE REGION HAS A NEED FOR A COMPLETE MOBILE EMERGENCY MEDICAL COORDINATION UNIT, REMSA HAS THE SOLUTION – THE MOBILE OPERATIONS CENTER.

The Mobile Operations Center ensures REMSA can meet the emergency health care needs of the community—*any time, any place*. Just as REMSA supports the people who live, work, play and visit our region, we are asking for your support for this important investment which enhances community resilience and readiness across northern Nevada and northeastern California.

HOW REMSA CARES FOR THE COMMUNITIES IT SERVES

ALWAYS READY is more than a catchy saying for the paramedics, nurses and emergency medical technicians at REMSA and Care Flight. For 35 years, REMSA has provided mobile and emergency medical care to the region's 1.5 million citizens and the 5 million people who visit the area every year.

As a critical part of the region's public safety and healthcare infrastructure, REMSA must be **ALWAYS READY** and able to ensure business and operational continuity—including medical 9-1-1 dispatch, ground and air ambulance response in the event of a natural or man-made disaster.

Our region requires a wide variety of mobile healthcare options. As part of our commitment to being **ALWAYS READY**, REMSA provides medical 9-1-1 dispatch and emergency medical services (EMS) at more than 700 special events held annually in our area. Throughout northern Nevada and northeastern California, REMSA and Care Flight support our first response partner agencies to sustain normal operations during extraordinary circumstances. REMSA's Search and Rescue, Wildland Fire and Tactical EMS teams support technical rescues, law enforcement and firefighters in their specialized work across our region.

REMSA Mobile Operations Center

WHAT THE MOBILE OPERATIONS CENTER WILL PROVIDE

The REMSA Mobile Operations Center is fully outfitted with unique EMS specifications and requirements to fully support a variety of emergency situations. This vehicle can support special events, special teams assignments and serve as a medical 9-1-1 dispatch back-up in the event of a disaster.

BENEFITS OF THE MOBILE OPERATIONS CENTER

- Medical 9-1-1 dispatch stations for radio communications, paramedic ambulance deployment, emergency medical dispatch call-taking and air asset coordination
- Emergency lights, sirens, and loudspeaker to aid in a variety of scene safety, management operations, and field scenarios
- A mobile office including electrical wiring, phone lines, WiFi and meeting space for full-scale incident management and on-demand command operations
